EVERYDAY ITALIAN DESIGN

ITALIAN DESIGN FOR HOME FURNITURE

THE COMPANY

- 1984 :WEB FURNITURE starts its activity in BELVEDERE OSTRENSE (AN) ITALY under the name of COPILE GNO . In this period , the company specializes in the production of semi-finished products for the furniture industry.
- 90's : The company developed the «ready-to-assemble» furniture segment and creates a new brand called IDEAKIT.
- 2000 : The name of the company becomes TECNOS to better reflect the trend of the product range and the innovations introduced as GDO.
- 2009 : Opening of a second plant in MONSANO to support the logistic and warehouse activities.
- 2019 : “WEB FURNITURE” is born. This new name summarizes the new identity of the company which today represents a turnover of 14 million euros with 55 employees working in 2 plants. The company supplies furniture to e-commerce actors throughout Europe, the United States, Asia and the Middle East on a daily basis.

A modern dining table with a light wood finish and thick, square legs. The table is set in a contemporary living room with a grey wall, a large window, and a dark leather sofa. On the table, there is a silver thermos, a black pitcher, and a black cup. A large black pendant lamp hangs above the table. The floor is made of light wood planks. A dark patterned rug is under the table. A grey ottoman with a book and a white pillow is in the foreground.
